

# QuickBooks Online Conversion Instructions

---

## QuickBooks Online

### Introduction

As **Select Bank & Trust** completes its system conversion, you will need to modify your QuickBooks Online settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **login credentials** for online banking.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

### Documentation and Procedures

---

#### Conversion – Information only

---

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

**IMPORTANT:** QuickBooks Online connectivity services may be interrupted up to 5 business days after the conversion is complete.

---

**Task 1: *Optional task*** - Complete a final download **before 1/28/2020**

---

**NOTE:** Please skip to **Page 3** if you **Manually Import Transactions**.

1. Sign in to QuickBooks Online
2. Click **Banking**.
3. In the top-right area, click **Update**.
4. After your download finishes, click the **For Review** tab to confirm items downloaded.

---
