

NOTE: The 'Secure Messaging' feature is a secure messaging function which allows for two-way communication between the Digital Banking user and Select Bank & Trust. Since the message is delivered securely within the Digital Banking system, sensitive material.

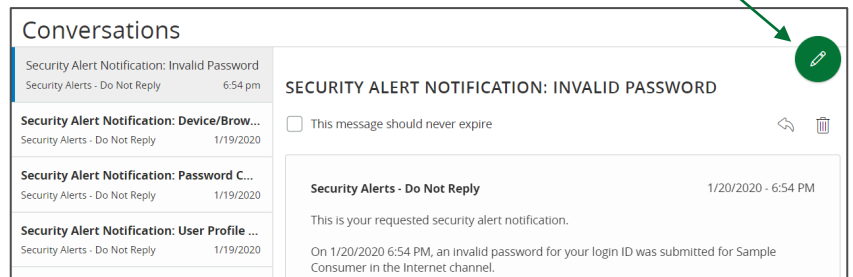

1. Select 'Secure Messaging'.

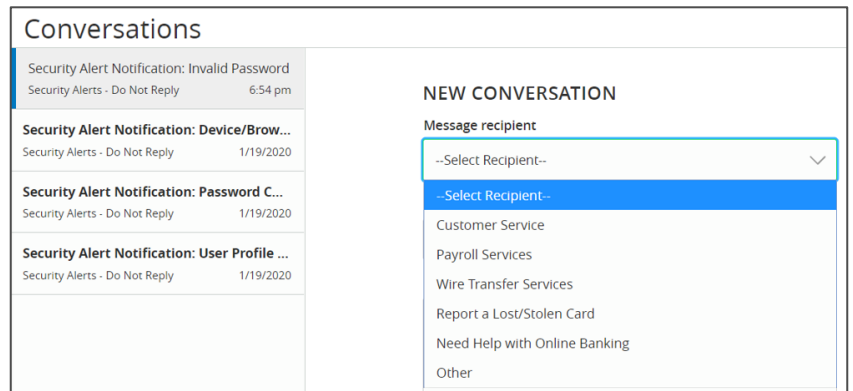

NOTE: A number will display in red to indicate if there are any unread messages.

NOTE: Both incoming and outgoing messages will appear in the column directly to the right of the menus in descending date order (newest on top).

2. Click pencil icon on the right side of the screen.

3. Select the desired 'Message recipient' from the drop-down menu.

4. Enter the desired 'Message Subject' and 'Message'.
5. Click the 'Attach a file' link to attach a file or document if desired.
6. Click 'Send message' at the bottom of the screen to submit the message to Select Bank & Trust.

 **Supported attachment file types:**

.ach, .doc, .docx, .log, .pdf, .ppt, .pptx, .rtf, .text, .txt, .wpd, .xls, .xlsx, .zip

7. Select the arrow icon beneath the pencil to reply to a secure message or the trash bin to delete the message.

The screenshot shows a secure messaging interface. At the top right, there is a green circular icon with a white pencil. Below it, the title of the message is "SECURITY ALERT NOTIFICATION: DEVICE/BROWSER REGISTERED". Underneath the title is a checkbox labeled "This message should never expire". To the right of the checkbox are two icons: a reply arrow and a trash bin. Two green arrows point from the text in the instruction above to these two icons. The message content is enclosed in a light green box and includes the following text:

Security Alerts - Do Not Reply 1/19/2020 - 8:36 PM

This is your requested security alert notification.

On 1/19/2020 8:36 PM, Alert me when a device/browser is successfully registered for Sample Consumer in the Internet channel.

If you suspect fraudulent activity, please contact us during business hours. As this is an automated notification, please do not reply to this message.
